

BEEFSTEAK TOMATOES

Fresh Facts

Our large beefsteak tomatoes are fresh, hearty, and ready to add flavour to any gourmet sandwich or salad. They are firm in texture with plenty of flesh, a thicker core and fewer seeds than our other tomato varieties. One of the largest tomato varieties, a slice of any beefsteak is sure to fit perfectly in your next burger.

Tomatoes are loaded with antioxidants and vitamins, and are a tasty way to stay healthy. Loaded with Lycopene, a vital antioxidant that eliminates free radicals from the body, beefsteak tomatoes are an easy way to add nutrients to any meal. With its deep, red colour and numerous health benefits, it's a super food any way you slice it.
